Day 1 Fly USA to Nairobi (Via Dubai)

Day 2 Welcome to Nairobi, Kenya

On arrival you will be met and transferred to your hotel. Kenya's capital is cosmopolitan, lively, interesting and pleasantly landscaped. Founded by the British about 120 years ago, Nairobi now has a population of more than 2 million people. It's a modern commercial center with some interesting high-rises and lots of bustle. Visitors can find things not so common in other parts of Africa, such as nice theatres showing the latest films and expensive restaurants serving every type of food.

Day 3 Fly Nairobi to Amboseli National Park

Transfer to the airport for your onward flight. On arrival you will be met and transferred to your accommodation. Amboseli, immediately northwest of Mount Kilimanjaro and 150 miles southeast of Nairobi on the Tanzanian border, is certainly one of the most picturesque places in the whole of Africa to watch game. Where else could you watch a great herd of elephants trudging slowly across a wide empty plain dominated by Africa's highest mountain, Kilimanjaro?

Day 4 Amboseli National Park

Enjoy a full day in Amboseli National Park, which lies below the most famous symbol of Africa – Mount Kilimanjaro – 19,340 feet – the highest mountain in Africa and the tallest free standing mountain in the world.

Day 5 Fly Amboseli to Samburu (Via Nairobi)

Transfer to the airport for your onward flights. On arrival you will be met and transferred to your accommodation. Samburu National Park is situated in the Northern Province of Kenya. It is rugged and a semidesert park. To get there you will cross the equator at Nanyuki and go to the northern hemisphere by passing the snow capped Mt. Kenya lying astrand the equator line and huge blue mountains serve as a back drop to this game reserve.

Day 6 Samburu National Park

Enjoy a full day in the reserve with morning and afternoon game viewing. Seek out some of Kenya's rarer species like the long-necked gerenuk, Grevy's zebra and reticulated giraffe.

Day 7 Fly Samburu to Masai Mara

Transfer to the airport for your onward flight. On arrival you will be met and transferred to your accommodation. Everything about this reserve is outstanding. The wildlife is abundant and the gentle rolling grasslands ensure that animals are never out of sight. Birds, too, are prolific. Maasai communities live within the dispersal area with their stock but a century of close association with the wildlife has resulted in an almost symbiotic relationship where wildlife and people live in peace with one another. The first sight of this natural wonderland is breathtaking. Here the great herds of shuffling elephants browse among the rich tree-studded grasslands with an occasional sighting of a solitary and ill-tempered rhino.

Day 8 Masai Mara

Enjoy a full day in the Mara with two game drives included. Wonderful scenery and an abundance of big game abound in this reserve.

Day 9 Fly Masai Mara to USA

Fly back to Nairobi for your departure flight (Via Europe Dubai)

Day 10 Arrive USA
